Since 1988 we N. P. Machinery & Equipments serve the corrugation industries as the Pioneer supplier of Gum & Adhesive manufacturing machinery with a view to provide complete Glue preparing solution and to improve quality standards. It has long outstanding activity, technical expertness and high proficient technical mastery in manufacturing; we strive to develop eco-friendly and high-quality products for our client to improve their processing efficiency, products quality & product functionalities.

**Advantages:**

1) Improved Product Quality  
2) Reduce Consumption of Product,  
3) Low lumps formation,  
4) Stable Viscosity, Consistence Product,  
5) Low Labor cost,  
6) Low wastage in handling & transferring  
7) Low Maintenance  
8) Easy operation

**Features:**

1) Compact Design  
2) Total Controlling Panel with timer  
3) Easy Operation  
4) Sturdy Ms square pipe frame mounted unit  
5) Level controller

**Specification:**

<table>

**Our Product:**

1) ‘Gum Corrumix’ An Integrated fully Automatic Glue Kitchen & circulating system for 3ply & 5ply automatic corrugated board making plant,  
2) Automatic circulating system for Single Facer manual corrugated board making plant,  
3) Cold Gum Mixing Machine  
4) Hot Gum (Cooking) Machine  
5) Automatic Gum Powder Processing Plant to produce Pasting, Corrugation & Dextrin Gum Powder
